

MADDER NEWS

Madden, March 30.—Farmers are rushing farm work through here. A great deal of corn has been planted, grain is looking well. Good many have applied nitrate of soda to grain which ought to increase the yield of same.

Messrs. J. R. Finley and T. S. Langston represented New Prospect at their union meeting.

Mr. J. H. Powers has had a phone placed in his residence. Here's a hint housekeepers: When you have on your studying cap for the ever present question "What shall I have for dinner?" possibly Mr. Power, his phone and his truck patches will help you solve the solution.

Quite a little excitement was caused among our pupils last Friday afternoon when they and the teachers went to the desk for a look at the booklets and drawings, etc that they had prepared for the fair to find alas! their exhibits were gone! The trustees were notified, the rural policeman was called in and by putting two and two together the riddle was solved. A colored girl had helped herself to the pretty little booklets and had three of the drawings adorning the walls of the negro school, the others she had distributed among her adoring school-mates. Miss Aiken and her pupils have the sympathy of all for their misfortune. They had spent much time and thought in their work and now that the fair is so near, I doubt if they can replace the articles with new ones.

Mr. and Mrs. Geo. Brown had as their guest Sunday, Mr. and Mrs. Andy Boyd and Miss Jacobs, the Oakville teacher.

Dr. J. L. Fennell of Waterloo, was called in Friday to see Mrs. Cliff Cunningham, who is suffering with rheumatism. The children are also sick with mumps. All are better and hope to be out in a few days.

News has been received here that Mr. Griff Finley is quite ill at his home in Texas. He has been taken to a hospital for an operation and his case is very serious. Mr. Finley was raised in Laurens county and friends and relatives will be sorry to know he is so seriously sick.

Notwithstanding the inclemency of the weather there was quite a crowd gathered in Trinity-Ridge auditorium for the contest Friday night. Representatives from Trinity-Ridge and New Prospect will have the honor of representing Laurens township at the fair. Little Miss Caine will represent the former school; Mattie Sue Wofford the latter.

Mrs. Emma Cunningham of Leesville and Miss Edlie Power of Laurens were calling on relatives here last week.

DIALS.

Dials, March 30.—The esteemed correspondent from Lisbon certainly voices my sentiment, and that of every citizen who is loyal to the traditions of the past, in regard to Judge Thompson making the race this year unopposed. This is the least that we, of this age, can do to honor one who, when the war clouds gathered, along with hosts of others stood ready to fight in defense of country and home, and whose integrity and efficiency while in public service has never been questioned. Indeed I don't believe Laurens county holds a man so devoid of sentiment as to risk defeat by coming out against that grand old veteran, O. G. Thompson.

THE REASON FEWER

PEOPLE TAKE "SALTS"

We find the use of salts and other harsh physics is becoming less every year because more and more people are using Rexall Orderlies, which we and they firmly believe to be the best bowel remedy ever made. They taste so much like candy that even the children like them. At the same time they act so easily and naturally that there is no purging, griping or pain. They promptly remove the constipation and, by soothing and strengthening the bowels, make it less liable to occur again. We have the utmost faith in them. We know what they are made of and the pleasant, beneficial results that always follow their use.

You needn't take our word for it. If Rexall Orderlies don't help you—if they don't entirely relieve all your bowel troubles—come back and tell us and we'll give back your money. In vest pocket tin boxes: 10c, 25c, 50c.

You can buy Rexall Orderlies only at the Rexall Stores, and in this town only of us. Laurens Drug Co., 103 W. Main street, Laurens, S. C.

A GOOD UNION MEETING.

It was the opinion of several that no better Union Meeting has been held recently than the one at Mt. Olive.

Nine churches were represented on Saturday. The discussions were all good. We had a real missionary program and the church and community seemed to enjoy it to the full. Bro. Walters preached an excellent missionary sermon at 11 o'clock Sunday. After the sermon a collection was taken, amounting to twenty dollars. The next meeting will be with Rabun Creek in May.
